**INFORMATION SHEET**

**Please consider your reason for applying to be a volunteer on a Dare to Dream camp.**

Our main goal is to touch the lives of the children in a positive way, Spirit, Soul and Body. The children come first in all situations and your own priorities come a poor second.

**Cabin Counselor:** This position needs you to be strong in the word of God so that you can help the children with difficult questions when they arise, as well as being a friend and confidant.

**Program leader:** As a program leader a skill in some activity would be a recommendation, when applying if you can help or even bring the required equipment to camp if we don't have it would be a great blessing.

**Nursing:** A Medical qualification is a must as we need a minimum qualification of a nurse or sister at all camps.

**Kitchen:** this area at present is only for our December camp over Christmas, you will need to help plan the menu with Dave before camp and will be feeding around seventy people three times a day for seven days. We do employ some kitchen staff from the farm to help with preparation.

**L.I.T.:** Leader in Training is a person who loves children and is too young to be a leader. The required minimum age for a L.I.T. is grade 8 and a leader from grade 12 onwards.

**Helper:** A very valuable part of the team, you will be given a leader to work with and help in all activities.

Please note that every evening after lights out there is a meeting to discuss the day's events and where there were problems, as well the program for the following day.

Every evening after the meeting we will bring the camp and children before the Lord in prayer, asking for His hand and protection over the children and help in situations we feel need prayer.

All non Christians may be excused from the prayer meeting. And rejoin the volunteers afterwards for fun and games.

If you have any question that you need answered you may contact Dave on 082 497 56 76 or email him on [dave@daretodream.co.za](mailto:dave@daretodream.co.za)

Thank you

Dare to Dream Team.
